

## Quarter Note Worksheet

♦ Quarter Note  Held for one beat. It is the same as two tied eighth notes

♦ Quarter Rest  One beat of silence

♦ Time Signature   
↓ The top number indicates the number of beats per measure  
↑ The bottom number indicates the quarter note equals 1 beat

1. Clap or tap the rhythm in the exercise below.

2. Fill in the blank with the missing quarter notes in the exercise below.
